LONG SHOTS BARRED FROM FIRST MONEY

First and Second Choices Pull Down All Purses at Races.

Three first and three second choices won the races at the half-mile track at Agricultural park Thursday afternoon, McBeth being the only jockey to secure two victories. The other wins were distributed, one each, among Brady, Manders, Morse and Nelson. The latter seems to have lost his grip, as he is not winning as many races as he did several days ago, when it was thought a clutch to back the horse he rode.

Zella G. won the first race for five furlongs, selling, from Jim Mallady, who had a shade the best of it in the betting for first choice. The race down the stretch was all Zella G.'s, she winning by two lengths, with Brady up.

Patricio was the favorite in the second race, which was six furlongs, but Valencia needed the money and McBeth came under the wire three lengths ahead of Black Domino, Glendinning getting the show.

Platoon was a hot favorite in the third race, notwithstanding his previous poor showing, with odds on of 4 to 5. Platoon beat out P. E. Shaw by half a length for the honors, Manders riding a good race. Katie Crews finished third, three lengths to the back.

Happy Chappy, a hot favorite in the fourth race, made good by a length and his backers pulled down the coin. McBeth was in the saddle, and while he got away at the post with a big lead, and it looked like a runaway, he had to drive hard down the stretch to win. Lady Adelaide getting place and Balred the show.

Merwin was played to win the fifth race, which was a mile selling, but the best he could do was to finish in sixth place. Bolden with Morse up, a second choice for 7 to 5, won the honors by half a length from Nabonassar. Elie got the show by one length.

The sixth and last race was for five furlongs and was won by J. W. Fuller, on which horse \$5 had to be put up to win. E. Nelson drove Fuller home by four lengths, an easy winner, leading all the way. Sainrida and Mrs. Neugent, with odds the same for second choice, followed in the order named.

HIGH SCHOOLS WILL MEET FOR STATE TITLE

Coach Tobin of All Hallows college believes that his team will win the high school football championship the present season, and the members of the team will make the stand of their own next Saturday on Cummings field for the state honor against the Salt Lake high school eleven. Tobin says that Ogden had no trouble going through the high school line, while All Hallows held Ogden at all times. Football fans say the game will be the best ever played between two high school teams in the history of the sport in the state. It will be a case of the best team in, as both aggregations have been in long training and ought to be in the best of condition.

Thompson Defeats Unholz.

SAN FRANCISCO, Oct. 29.—Cyclone Thompson won from Rudolph Unholz in the eleventh round tonight. Lew Powell to draw in the eleventh round Thompson floored Unholz twice with a right hook to the jaw, and a third blow put him through the ropes. The police then inter-

ferred. Unholz's seconds claimed that he had broken the bones of his right hand.

VARSITY FOOTBALL

After a stormy two hours' meeting of the athletic council at the university, Thursday afternoon, a proposition was submitted to the athletic authorities of the University of Wyoming, stating the conditions under which the local varsity would undertake to bring the Wyoming aggregation to Salt Lake for a football game on November 7. The demands of the Wyoming people in the way of a cash guarantee were a little too steep for the Salt Lake high school managers, and it was decided to decline the offer.

The proposition of the Fort Douglas managers for a game on the same date was not considered, in view of the proposed intercollegiate contest, but it is understood that in case the latter game falls through the managers will be given an opportunity.

The game with the Agricultural college if played at all will come on November 21. The Logan authorities are still undecided as to what action will be taken in regard to the completion of their schedule, and nothing definite can be decided until they are heard from. The "agies" have, it is reported, stopped practice, and are in a badly demoralized condition.

S.S.S. CURES OLD SORES

No old sore can heal until the cause which produces it has been removed. External applications of salves, washes, lotions, etc., may reduce the inflammation and assist in keeping the place clean, but cannot cure the trouble because they do not reach its source. Old sores exist because the blood is infected with impurities and poisons which are constantly being discharged into the place. The nerves, tissues and fibres of the flesh are kept in a state of irritation and disease by being daily fed with the germ-laden matter through the circulation, making it impossible for the sore to heal. S. S. S. cures chronic sores by its purifying action on the blood. It goes down into the circulation, and removes the poison-producing germs, impurities and morbid matters which are responsible for the failure of the place to heal. S. S. S. makes the blood pure, fresh and healthy; then as new, rich blood is carried to the spot the healing process begins, all discharge ceases, the inflammation leaves, new tissue begins to form, the place fills in with firm, healthy flesh, and soon the sore is permanently cured. S. S. S. is purely vegetable, the safest and best blood purifier for young or old. Book on Sores and Ulcers and any medical advice free to all who write.
